- Do not make any changes to costumes, accessories, or make-up unless you have received approval from your costumer.
- Costumes will be kept in the dressing rooms at all times and may not be taken home between shows.

Skaters are to bring the following the night of dress rehearsal and leave in the dressing room throughout the weekend. Please label your basket and your belongings.

- Tub/Clothes basket for storing the following individual items
 - Water Bottle
 - Skates-polished with new or clean **white** laces in them
 - Skate guards (NO light-up guards)
 - Tights
 - Bathrobe/Cover-up: To be worn at all times when the skater is not skating. This keeps the skater warm and protects the costume from soiling with makeup or food.

- NO FOOD or DRINK (other than water) is allowed in the Dressing Rooms
 - If you plan to eat, wear your cover-up/bathrobe and do so in the Concourse Lobby (Green Room) area

- *Skaters must stay together as a group, do not go anywhere without permission from your Dressing Room Parent.*

Make-up:

ALL skaters will be wearing make-up beginning with Dress Rehearsal on Thursday. Because of the lighting and the wash-out effects of the ice, skaters are required to wear theatrical style make-up.

- Please arrive at the scheduled times prior to each show with make-up done.
- Makeup: Blush, Lipstick, and Eye Shadow- blue/purple colors for eyes, rosy blush for cheeks, and red lipstick work well on the ice. We want to be able to see our skaters' faces and not have them washed out against the ice. We allow the boys to wear less makeup, but we still really want them to have a little color. Please bring some make-up with to keep in your basket/tub in case touch-ups or changes are needed.

Jewelry:

- NO personal necklaces, bracelets or rings are to be worn during the performances. Small stud earrings are okay. No hair ponies on the wrist!

Hair:

- Make sure the skater's hair is pulled away from the skater's face. Use hair ties, pieces, or accessories as assigned for each number.
 - The costumer will let each group know if there is a specific way to style the hair.
 - Please arrive at the scheduled time prior to each show with hair already done.
- Be sure to use hair spray

All bloomers MUST be returned after the last show.

Boot covers may be provided as part of your child's costume. You will be notified if they are to be returned after the last show.

Have a great time as we prepare for and perform
